1. CASTLES IN THE SAND

Men are building castles everywhere

Men are building castles everywhere

Building castles that won't stand the test of time

Building castles in the sand

Men are building castles everywhere

Men are building castles everywhere

Building castles that won't stand the test of time

Building castles in the sand

Men are building castles everywhere

Men are building castles everywhere

Verse 1

The times we are living in are very hard

There are storms everywhere

They will break every home in the sand

There is no foundation in the sand

Men are building castles everywhere

Men are building castles everywhere

Verse 2

The times we are living in were prophesied

All the prophets spoke of these days

There is nothing new happening

All the idols will disappear

The only anchor now is Jesus Christ (x2)

Men are building castles everywhere
Men are building castles everywhere
Building castles that won't stand the test of time
Building castles in the sand
Men are building castles everywhere
Men are building castles everywhere
Building castles that won't stand the test of time
Building castles in the sand
Men are building castles everywhere
Men are building castles everywhere

Verse 3

In difficult times, in challenging times
God is in control
God is in control
He's the architect of the human race
He's the architect of my life on earth
He's the Master, the Master Builder
And He'll never build a castle on the sand
No, He'll never build a castle on the sand

Men are building castles everywhere
Men are building castles in the sand
Men are building castles everywhere

2.BY FAITH

By faith, I'll make it, by faith I'll move

By faith, I'll be strong one day at a time (x2)

Trusting in your word, living in your word

Acting in your word

One day at a time

Your word is living, your word is active and when I speak it

I'll move in your power

By faith, I'll make it, by faith I'll move

By faith, I'll be strong one day at a time (x2)

Jesus you're my Lord, Jesus you're my King

Jesus you're the living word, changing everything

Jesus you've saved me, Jesus you are in me

Jesus you're worth living for one day at a time

By faith, I'll make it, by faith I'll move

By faith, I'll be strong one day at a time (x4)

(It's the sword of the Spirit, the word of God)

Scripture: Hebrews 11:6 The just shall live by faith And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him."

3.DON'T SAY NO

Don't say no when,

Don't say no when,

Don't say no when, God starts calling you (x2)

Time is against you, time is against you

Time is against you, it waits for nobody

It waits for nobody.It waits for nobody

Don't say no when God starts calling

Don't say no when God starts calling

Don't say no when God starts calling you (x2)

Time is against you (3)

It waits for nobody, It waits for nobody

When he starts calling, don't harden your hearts

When he starts calling, don't harden your hearts

When he starts calling, don't harden your hearts (x2)

Time is against you (3)

It waits for nobody, it waits for nobody

Don't make excuses when God starts calling

Don't make excuses when God starts calling

Don't make excuses when God starts calling you (x2)

Time is ticking away, the clock is moving

Like the sun that waits for nobody

Like the moon that waits for nobody

Yeah!! Oh oo....

Don't say no when God starts calling

Don't say no when God starts calling

Don't say no when God starts calling you (x2)

Time is against you (3)

It waits for nobody, it waits for nobody

(Don't say no when)

(Time waits for nobody, nobody)

(Don't say No.....)

If you see Jesus as Joseph's Son

You'll never change, you'll never change

You'll always be the same, you'll never change

If you see Jesus as the Son of God

The mighty King, the Conqueror of sin and death

Multitudes, multitudes

Are moving on the highway

Multitudes, multitudes

The world is a highway and it's moving very fast

I was moving on that highway with my body and soul

Moving every day, very busy moving there

With confidence and self-assurance

I was moving very fast

Multitudes....

My heart was not right travelling on the highway

I had no love I had lust

I had problems on the highway

There is envy, there is cheating

There is killing, on the highway

There are drugs and addiction

There is affliction on the highway

Multitudes...

Jesus said,

Scripture: Matthew 7:13-14

“Enter through the narrow gate, for wide is the gate and broad is the road that leads to destruction, and many enter through it. 14 But small is the gate and narrow the road that leads to life , and only a few find it.”

10. THIS WORLD NEEDS JESUS

Jesus, Jesus, Jesus

Scripture: John 10:10 (NIV)

This world needs Jesus King of Kings, Come Lord Jesus

This world needs Jesus King of Kings, Come Lord Jesus

This world needs Jesus King of Kings, Come Lord Jesus

Take a good look around you in your neighbourhood

You won't have to go very far to see the misery

To see unhappy people all over the place

Wanting a solution to their problems

Wanting a peace of mind to their problems

Wanting relief to their problems

And I know that man doesn't have

All the answers to their problems

This world needs.....

Take a good look around you and listen

Listen to the TV stations and the radios

Read your daily papers that are printed

You will see....oooh too much violence

You will read...oooh too much killing

Out of selfishness and out of hatred

Out of revolutions and out of politics

And I know that man doesn't have
All the answers to their problems

This world needs.....

Take a good look around you and listen
Take time and know what's around you
Too many people are frustrated
Too many people are hurting inside their hearts
They need relief in their hearts
They need relief in their minds
They need relief in their bodies

And I know that man doesn't have
All the answers to their problems

This world needs.....

From America to New Zealand
From China to Africa
From North to South, East to West
In every corner, everywhere

This world needs.....

Jesus, Jesus, Jesus
